

ARMANI / CASA

A Byword for Elegance and Style

Armani/Casa is the expression of Giorgio Armani's own vision of the home as an intimate but sophisticated setting with an atmosphere of comfort and harmony.

ARMANI / CASA

A "Home Couture" Universe with Everything from Furniture to Wallpaper

Established in 2000, Armani/Casa exudes the same sense of understated luxury as Giorgio Armani's fabled fashion collections, fusing Art Deco glamour with oriental style and lustrous materials.

Armani/Casa Decor Design

Minimal style, simple lines, and perfect proportions, enriched by elegant materials and finishes for a sophisticated atmosphere.

The Iconic Logo Table Lamp

Giorgio Armani created this pyramid-shaded lamp for his own design studio in 1982. When he launched Armani/Casa in 2000, Logo appeared to be the first product of the Armani/Casa collection, becoming the undiscussed icon of Armani/Casa.

The Iconic Armani/Casa Bar Cabinet Collection

Combine bar storage and statement décor with the introduction of limited-edition bar cabinets. A tailored space for your wine, spirits, cocktail ingredients and barware.

Small Forms of Luxury: Armani/Casa Accessories

Every object, plate and glass is the depiction of a skilful dexterity that creates absolute delights to have in the home.

Armani/Casa's Wallpaper Collection

Refined, sophisticated and minimalist, a collection of beautifully crafted wallcoverings characterized by refined designs with an oriental flavor, inspired by nature and stones, made with precious materials designed to give spaces a sophisticated allure and an elegant decorative signature.

Exclusive Textiles Collection by Rubelli

Exclusive textiles by Rubelli weave ancient artisanry and contemporary design, transforming innovative and high-performance fabrics into works of art.

"Between the East that enchants me and the West where I belong, I take the similarities and turn them into furniture and decor to give rooms a profound sophistication and timeless elegance."
