

PAOLO CASTELLI

Italian High-End Furniture & Lighting

Premium Italian furniture-maker Paolo Castelli's roots stretch all the way back to 1877, and today, four generations later, the family company continues to surprise us with its elegant design.

Keep It in the Family

Before being a company, Paolo Castelli is the story of Ettore Castelli's family, who founded a cabinetry in Bologna in 1877. With 140 years of cabinet working history behind, the Castelli family started making ebony pieces in Bologna at the beginning of the 20th century. The company "know-how" has been handed down to today and finds its expression in an internationally renowned company.

Inspiration Collection

Elegance is the cornerstone of the Inspiration collection's design DNA. Collection of furniture, lighting and decorative objects inspired by the 20's-30's-40's in a modern way. Inspiration walks you through an itinerary of rooms furnished and interpreted to give a realistic vision of the evolution of a style.

Greenkiss Collection

The eco-friendly design collection results from the creative talents of designers Hubert de Malherbe and Thierry Lemaire, combined with the savoir-faire of Paolo Castelli. The collection comprises tables, armchairs, seats and light fittings, reflecting the finest Italian and French design of the 50's and 70's: clean, elegant and balanced.

Objets d'Auteur: Tribute to Morandi Collection

A capsule collection including objects and furnishings that pay a tribute to Giorgio Morandi, one of the greatest Italian artists of the 20th century, and his artistic career.

The result is a collection of objects permeated with sophisticated elegance, telling the stories of symbolic worlds with understated decorations and colour palettes, bringing new energy to interior decoration, with a strong lyrical and poetic accent.
