

Rugiano

A Timeless Style

Artisan know-how and collaborations with the greatest professionals in the sector have allowed Rugiano to create unique, refined pieces that are able to surpass fads and survive the passage of time.

Italian Tradition

Founded in 1995, Rugiano is an Italian manufacturer of luxury furniture. The company was founded in the heart of the Brianza Furniture District in Italy, where unique, world-renowned woodworking techniques and processes have been employed for over a century.

Attention to Detail and Fine Materials

Rugiano's philosophy stands behind the exquisite finishes, the care for the details, the finesse of the handcrafted pieces, the use of new materials and the reinterpretation of the classic ones.

Rugiano Interiors: Indoor

Rugiano is the ideal brand for anyone who wants ultra-high quality furniture in contemporary style. Furniture items crafted by Rugiano represent the achievement of a synthesis between a wide range of materials including metal, wood, leather, marble and glass.

Rugiano Interiors: Outdoor

Every single product is the result of a sapient mix of technical and artistic knowhow and giving every single project an unique atmosphere.

Expertise in Wood Decoration

Drawing inspiration from iconic art pieces of the Italian Renaissance, Rugiano created a range of tables featuring DECORO tops, entirely hand-painted by expert craftsmen.

Made with the essence of Italian chic poured into each one, it is difficult not to become captivated by the charms of a collection rendered by expert Italian craftsmen and artisans all united with the aim of injecting a little decadence into the spaces of your home.

A Made in Rugaino Atmosphere

Various combinations of styles reinterpret classic atmospheres for a type of exclusive design which is particularly attentive to a trend that offers timeless value.

Rugiano brand is synonymous with style that originates from distinguished and unique creations, designed to be timeless and valuable.

Style that also originates from collaborations with famous professionals and architects, from the technical knowledge and craftsmanship of those who can turn dreams into matter, and from a sapient use of noble and selected materials, from metal to wood to leather.

That's the style that comes with Rugiano Furniture.
